OPORTUNIDAD DE EMPLEO

EATON

Powering Business Worldwide

Company: Eaton, LLC

Program: Puerto Rico Financial Leadership Development Program

Position Overview:

The **Eaton Leadership Development Program - Finance & Accounting – Puerto Rico** is a three-year program designed to develop future finance leaders within Eaton's Electrical Sector Circuit Protection Division and provide them with a broad understanding of manufacturing accounting, and finance.

As a participant in the program, you will complete three one-year assignments in the United States and Puerto Rico that will give you the hands-on experience to get started in your career. These assignments include working in manufacturing accounting in a plant, financial accounting in Electrical's division headquarters, and other roles such as internal audit, group compliance or in technical reporting and analysis.

After completion of the program, your experience and newly acquired skills could qualify you for roles such as senior financial analyst, accounting supervisor, or senior internal auditor.

Basic Qualifications (Including Educational Requirements):

- Bachelor's or master's degree in business with an emphasis on Accounting or Finance from an accredited institution required
- Minimum overall cumulative GPA of 3.0 or higher (please do not round)
