

iChange Fall Internship Program – Juntos por Puerto Rico

Foundation for Puerto Rico's mission is to propel innovative and sustainable economic and social development strategies that insert the island in the global economy by emphasizing the visitor's economy. Our purpose is to discover, link and unleash Puerto Rico's potential as an active participant in the global economy. We envision a prosperous Puerto Rico that realizes its untapped social and economic potential by leveraging the talent, creativity, tenacity, commitment and passion of its people.

We are recruiting an intern for the iChange Fall Internship Program. Fall interns will be active participants in the Foundation's projects focusing on visitor economy initiatives.

Qualifications:

- High level of commitment, initiative, and strong desire to work for the transformation of Puerto Rico into a vibrant economy and society
- Available to work a part-time schedule (20 hours per week) during the fall
- Bilingual in English and Spanish
- Excellent communication and analytical skills
- All Business administration majors may apply (Public Administration, Management desired)

Assignment Tasks:

- Work with Program Associate in the strategic planning and execution of initiatives related to Juntos por Puerto Rico, including: Organization and Structural support as well as content development for the specific economic strategies driven by FPR.
- Research and preparation of presentations, communications, and other materials and content.
- Support Program Associate in coordinating events related to Juntos por Puerto Rico such as board meetings, assemblies, other.

Compensation: A stipend to cover basic expenses will be provided.
